Miracle-Gro®

Miracle-Gro® Quick Start® Plant Food is a liquid starter solution that gives all flower and vegetable transplants and seedlings just what they need to take root and thrive.

Directions For Use

- Use bottle cap for measuring.
- Mix **1 capful** of Miracle-Gro Quick Start in 2 gallons of water (1/2 capful in 1 gallon).
- Place transplant into planting hole, then backfill with **Miracle-Gro® Garden Soil for Flowers and Vegetables**, following package directions. Pour diluted Miracle-Gro Quick Start solution around plant to settle soil and feed roots.
- Repeat application in 7 days.
- Begin regular Miracle-Gro Plant Food feedings 7 to 14 days later.
- 48 fl. oz. of Quick Start covers approximately 150 sq. ft.

Flower and Vegetable Transplants

in gardens or containers

Pour 1 cup of diluted Miracle-Gro Quick Start solution on the soil around plant. Repeat application in 7 days. Begin regular Miracle-Gro Plant Food feedings 7 to 14 days later.

Roses, Shrubs and Tree Transplants

Pour **1 quart** of diluted Miracle-Gro Quick Start solution on the soil around plant. For larger plants use **several quarts** of diluted Miracle-Gro Quick Start solution. Repeat application in 7 days. Begin regular Miracle-Gro Plant Food feedings 7 to 14 days later.
